

Golf:

- Ladies Clinic-
Ladies Clinics are held on Thursdays starting in April. Instruction will cover a variety of topics including course etiquette, short game, woods, and irons. Our assistant professionals will teach these lessons. Wine and cheese will be provided for your enjoyment.
- Professional Golf Instruction-
Individual and playing lessons are available from the professional staff. Call to schedule an appointment with one of our Golf Professionals.

Food & Beverages:

- Cooking Classes-
Classes are held periodically at the Club or in homes for groups of ladies and gentlemen wishing to learn basic cooking techniques. Classes are hands on demonstrations taught by our Club chef.
- Private Parties-
A menu will be drafted with the input of the member; a chef will come to the home with wait staff and bartender, if requested. We will also provide clean up.
- Center of the Plate-
We order, butcher, and marinate any cut of meat requested for home use. This will include poultry, seafood, or wild game. You can order and pick it up from the Club or have delivered to your home. Please provide a few days notice for this amenity.
- Knife Sharpening-
Bring any knives to the Club for a professional sharpening. We can restore all edges to brand new.
- The Grape-
Our wine program is up and running. Whether it is an in-house favorite or if you would like to try a various assortment of recommended wines, let us know and we can obtain them for you. Review the menu of available wines at the Club.
- Picnics to Go-
These are great for Friday night high school football games, Saturday college football games, and Sunday NFL games. Call us to arrange pick up.

Retail:

- Hard Goods-
Purchase all of your golfing needs at Vaquero. All clubs, balls, and bags can be ordered through us. Your equipment can be personalized with your name or company logo, at your request. Any brand you desire can be shipped to the Club. Please contact our retail buyer to special order your request.

Fitness:

- Fitness Programs-
We feature the finest and most modern cardio and strength training equipment. The movement studio adjacent to the fitness center is available for warm-up, stretching or to perform a workout of your choice. Physical assessments, golf biomechanics, strength training, aerobics, Yoga and Pilates are available.
